Volunteer Information

NASFAA offers many ways to get involved with your national association, including membership on our volunteer committees and task forces. These groups report to the National Chair and are established to help the Association meet its organizational goals. All committee/task force activities are subject to approval by the National Chair, Board of Directors, and/or President. NASFAA's task force and committee structure varies from year-to-year, depending upon the needs of the association.

Task Forces

The majority of volunteer opportunities open to the membership take the form of topical Task Forces. These groups are convened as needed, for the amount of time needed to accomplish a specific goal or goals, as outlined in the Task Force charter (*see additional information about volunteering for NASFAA in the [Committee and Task Force Handbook](#)*). Task Force opportunities are made available to members through *Today's News*.
